

# TOP REASONS TO JOIN

## 1 PROMOTES MISSOURI MANUFACTURING

The Missouri Association of Manufacturers (MAM) is the **ONLY** organization in the State who is dedicated solely to representing the interests of manufacturers with a primary purpose to promote, preserve and advance manufacturing Locally, Nationally and Globally. As a unified group, MAM works to better the economy, education, environment, regulatory, and overall manufacturing impact.

## 2 MEMBERSHIP PAYS

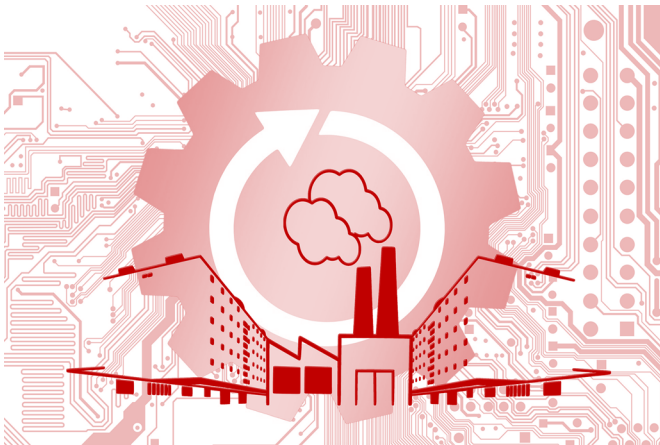

Your membership will include access to MAM's benefits, discounts & resources, designed specifically for preservation and advancement of manufacturers. Savings vary from 10%-80%, depending on the category. Categories range healthcare and technology to office supplies and expert consultants. MAM offers lower pricing and greater advantages than companies would obtain on their own. These benefits and programs can be found under MAM's ONESource.

## 3 NETWORKING OPPORTUNITIES

MAM offers strategic partnerships and exclusive member programs with experts in their respective fields. Membership provides **access to MAM's network of experts** and discounts on all MAM events, seminars and training opportunities.

## 4 CONNECTS LIKE-MINDED PEOPLE

MAM **unites manufacturers** to develop solutions and dissolve barriers. MAM believes that a positive and collaborative group of manufacturers will result in manufacturing stability and growth of the industry, while enhancing the economic development of Missouri.

## 5 ADVANCES YOUR BUSINESS

MAM Members **receive valuable connections to Missouri Manufacturers**, opportunities to showcase and celebrate their business, and receive up to date industry news.
